# **Business Development through Relationships**

As a privately owned company with a strong passion for achievement, we are committed to all of your requests.

The reality is that business relationships are just like any other relationship. They require some effort to maintain and they must be mutually beneficial. As in any relationship, you must be willing to give, share and support, not just take or receive.

Our existing client partnerships are happy to endorse and validate our process.

Green Leaf understands our position within a client's business. We listen, recommend, and deliver.

#### Communication

"Listening" is by far the most important part of communication at GLP. We adhere to a proven process of listening and delivering.

Managing expectations: Good communication keeps all parties on the same page and allows each of those parties to progress in decision making based on up-to date accurate information.

Honesty: at Green Leaf Procurement *We say what we do and do what we say*. We have no interest in sidetracking time or effort by deviating from our proven process.

We pride ourselves on not only our range of services but also our attention to detail.

### **Manufacturing Alignment / Sourcing**

Manufacturing and sourcing goods is very much the same as business development through relationships - our manufacturers are an equally important part of our business.

Over the years Green Leaf has developed tremendous relationships with key on and off-shore manufacturers allowing us great efficiencies, but also flexibilities.

Great manufacturing partners also brings Product Innovation, Quality Assurance, and Good Communication to each and every job.

## **Branded Merchandise Experts**

Green Leaf Procurement is known by its clients as the go-to company to get the job done right and done right the first time.

We live by brand guidelines, PMS colors, and logo usage. We will always recommend the best application process for your job.

We take branding seriously. It leaves a lasting, positive impression on your customers. And we hope to do the same.

The true mark of our brand is the success of yours.

## **Operations Management / Logistics**

GLP handles products from the manufacturing floor to your door.

With our shipping and fulfillment departments in-house, we have full capabilities to receive goods, repack, co-pack, direct ship, residential ship, or even courier items for same day delivery if needed.

Strategic alliances and contract pricing with all of the major shipping carriers, as well as daily pick-ups from our facility makes us a very efficient shipping partner.

Green Leaf has 25,000 square feet of warehousing, 6 dock doors, a drive-in ramp, security cameras, an alarm system, climate controlled areas, and a clean room packing area.

We carry an "Open Inspection" policy for our clients. This means if you have inventory with us, you have full rights to visit us at any time that our doors are open in order to inspect/view your goods. No appointment needed.

### **Results**

Why are we successful? We deliver results, which is why we are successful.

Green Leaf will work harder, faster, and smarter for you than anyone in the business. We value our client relationships, we understand that we are providing a service, and we understand what it takes to build a relationship, prove that relationship, and deliver upon it.

We say what we do and do what we say and that provides us with great opportunities with our clients year after year.
